

Pagosa Area Water and Sanitation District (PAWSD)
High-Efficiency Clothes Washer Rebate Program 2012 Guidelines

- **Rebates are offered on a first come, first served basis and subject to availability of funds.**
- High-efficiency clothes washers qualify for \$125 rebate.
- The high-efficiency clothes washer must replace an existing clothes washer using more than 27 gallons of water per load; generally, most clothes washers built prior to 1990 have higher than 27 gallons per load water use.
- Old clothes washers cannot be reused. Participants agree to properly dispose of old clothes washers and provide proof of disposal (e.g. haul-away fee, landfill receipt, etc).
- Receipt must clearly show the washing machine purchased.
- Participants must be a PAWSD customer with current and non-delinquent account(s).
- Participants must be home or business owners. Rental units may qualify; however, the rental facility owner must complete the application.
- Residential accounts may qualify for one high-efficiency clothes washer every 3 years. Commercial facilities may qualify for more than one high-efficiency clothes washer per program year upon approval.
- **The high-efficiency clothes washer installed must be new and use 27 gallons of water per load or less.**
- **Rebates are issued as a credit** applied to the PAWSD service account where the high-efficiency clothes washer is installed.
- The program applies to products purchased from January 1, 2012 through December 15, 2012.
- Rebates are issued monthly at the end of each billing cycle.
- Installation may be done by the home/business owner (if qualified) and/or by a licensed professional.
- Installation/delivery costs are not rebated.
- Installation site may be subject to inspection. If a property for which a rebate has been issued is found on inspection not to have a qualifying product and/or installation, the amount rebated will be charged back to the PAWSD account(s) which were originally credited.
- Incomplete paperwork, including applications lacking a signature or a copy of the purchase receipt(s) will be denied.
- PAWSD assumes no liability for loss, damage or expense in connection with the materials, workmanship or fitness of the high-efficiency clothes washers, their installation, or use. PAWSD make no representation or warranty of the high-efficiency clothes washers.

Pagosa Area Water and Sanitation District (PAWSD)
High-Efficiency Clothes Washer Rebate Program 2012 Application

Please ensure that rebate funds are available BEFORE finalizing your purchase.
 This form is also available on line at www.pawsd.org.

Name: _____
 Service Address: _____
 Daytime phone #: _____ PAWSD account #: _____

- | | | |
|----|---|-------------|
| 1. | What year was your home/business built? | _____ |
