Pagosa Springs, CO 81147

Re: Filing of Requested Annual Report

Dear Carrie,

In regards to the letter received via e-mail on April 19, 2010, the Commissioners are gratified that Pagosa Water and Sanitation District (PAWSD) has completed the requested Annual Report pursuant to C.R.S. 32-1-207(3)(c) and is prepared to file the report on or before Friday, April 30, 2010. However, we believe the suggestion that the report be heard at the May 4, 2010 Board of County Commissioner (BoCC) meeting hearing is premature.

The Commissioners believe that it may take us some time to digest the contents so that we may be adequately prepared to discuss the material in an informed manner with PAWSD staff and the general public.

The above referenced state statute specifies, "The board of county commissioners or the governing body of the municipality may review the annual reports in a regularly scheduled public meeting, and such review shall be included as an agenda item in the public notice for such meeting." As such, we believe the report is more appropriately heard either at another BoCC meeting or at a Special Meeting date to be determined.

We look forward to submission of the Annual Report on or before April 30<sup>th</sup> and we'll be in contact when an appropriate date is determined for a public review of the document that is convenient for all parties concerned. Please do not hesitate to contact us with any questions.

Sincerely,

  
Gregory J. Schulte  
County Administrator
