The Pagosa Area Water and Sanitation District (PAWSD) is seeking a Contractor to provide on-call sewer inspection and cleaning services for PAWSD. The contract shall be for one year and may be reviewed and extended year to year at the discretion of PAWSD for a period not to exceed three years.

The work to be performed generally includes, sewer cleaning and closed circuit television (CCTV) inspection services. The work will include but shall not be limited to the removal of sediment, grease, roots and all other incidental debris from the District's sanitary sewer systems using high pressure/high flow-rate water jetting, vacuuming, chain scraping, and similar sewer cleaning equipment. CCTV inspection of various sized sewer main pipes and subsequent reporting of inspection results in a format acceptable to the District. The project includes all associated materials, equipment and appurtenances required for a completely functioning system. See the Scope of Work for additional information.

Interested Contractors shall submit four bound copies of the Statement of Qualifications to the Pagosa Area Water and Sanitation District (District), 100 Lyn Avenue, P.O. Drawer 4610, Pagosa Springs, Colorado 81147, by 10:00 a.m. on April 13, 2018. Submittals received after this time will not be accepted and will be returned unopened. Electronic copies or faxed copies will not be accepted.

At a minimum the Statement of Qualifications shall include:

1. Contractors experience in providing the types of services as stated in the Scope of Work as evidenced by verifiable references. References should include the name of the entity, name of the contact person, and a current contact phone number.
2. Designate the Contractors Project Manager, length of employment with the company, and the qualifications for this position,
3. Designate key personnel and backup personnel, length of employment with the company, and their qualifications for these positions.
4. Equipment owned or available to the Contractor that will be used to complete the types of services as stated in the Scope of Work.
5. A description of how the Contractor proposes to coordinate with PAWSD, including a description of travel logistics to Pagosa Springs.
6. The Unit Costs proposed for each of the required services. Describe the policy the company proposes to follow for rate increases over the term of the project, or a statement of the company's willingness to fix pricing over the Contract term.
7. Any other information the applicant believes is pertinent to aid the Districts in their selection of a Contractor.

After review and evaluation of the Statements of Qualifications PAWSD may select a Contractor based on the written qualifications or may interview any number of contractors prior to selection. The District reserves the right to reject any or all Contractors and to waive irregularities therein, and all interested Contractors shall agree that such rejection shall be without liability on the part of the District for any damage or claim brought by any Contractor because of such rejections, nor shall the Contractors seek any recourse of any kind against the District because of such rejections. The filing of any Statement of Qualifications in response to this invitation shall constitute an agreement of the Contractor to these conditions.

Contact Justin Ramsey, PE, District Engineer, P.O. Box 4610, 100 Lyn Avenue, Pagosa Springs, CO 81157, 970+731-7641 for a copy of the Scope of Work and Specifications.
