

FILL STATION PAYMENT TERMINAL

Payment Options:

- 1 Use **credit/debit** card (Mastercard, Visa or Discover).
- 2 Set up a prepaid account at the PAWSD office or over the phone.

Please call the PAWSD District office at 970-731-2691 with questions or comments.

To Swipe Credit or Debit Card

Note: if the screen is blank – press any key.

1. Connect hose to tank
2. On **Credit Card** machine find the yellow button labeled **END**
3. Press **END** until \$ amount you want to pump is displayed
4. Available choices (gallons are approximate):

| | |
|---------|-------------|
| \$0.25 | 20 gallons |
| \$0.50 | 40 gallons |
| \$1.00 | 79 gallons |
| \$1.50 | 119 gallons |
| \$2.00 | 159 gallons |
| \$3.00 | 238 gallons |
| \$5.00 | 397 gallons |
| \$10.00 | 794 gallons |

5. Swipe card to confirm purchase. (Bank transaction fee may apply.) **Note: You will be charged for dollars selected regardless of gallons pumped.**
6. Water will dispense as soon as transaction is approved.
7. Press F4 (STOP) for emergency shutoff.

If you use the system regularly - consider setting up a **PREPAID ACCOUNT** with PAWSD. A prepaid account with PAWSD offers the advantage of only charging your account for actual water pumped. 970-731-2691

To use Prepaid Account:

1. Connect hose to tank
2. Follow prompts on Screen.
 - Enter Access Code, press Enter.
 - Enter your 4-Digit Pin, press Enter.
 - Screen will display # of Gallons available, press Start.
 - Input number of gallons desired, press enter.
 - Hose Connected? Press start to begin.
 - Water will be dispensed.
